THANK YOU 1

BUSY TERM!

This has been a very busy term but we have done lots of exciting and interesting work. We have been looking at how to live a healthy lifestyle in science and the children have looked at how unhealthy things can affect our bodies.

THE VICTORIANS

In history we have been studying the Victorians. This topic will be continued next term and also followed up with a trip to the Victoria and Albert museum in London. The trip will take place on the 23rd of November, so make sure you have all your forms and payment in by then. It is going to be an exciting day where can discover even more about the Victorians.

NEXT TERM

Next term we will be looking at censuses taken in the Victorian times and especially those that include people from the local area. So please search at home, any pictures of old Ramsgate or the surrounding area would be much appreciated!

THANK YOU

We have a few thanks to say from this term. Firstly, we would like to thank most of year 5 for putting in an excellent effort with homework this term. This is a very important part of school and Miss Pollard and Mr Taylor have both been impressed with the large number of pupils who are repeatedly handing in homework that is completed to a high level.

Also we would like to say a quick thank you to all those parents that donated to our harvest collection this year. It was greatly received!
